

Access by subscription to full-featured global service for startups, experts and funders.

Subscription fees vary by profile, role, level & payment schedule. Starting from \$20 per month.

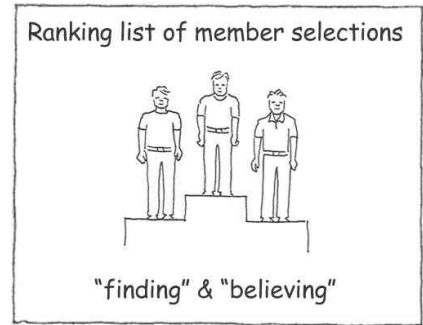

75% goes to Grow VC community fund. 25% is used to cover the costs of running the service.

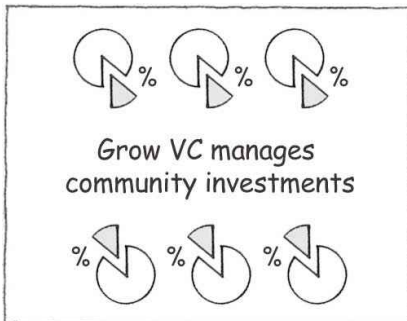

Subscribed members make ALL the selections to what startups the community fund will invest.

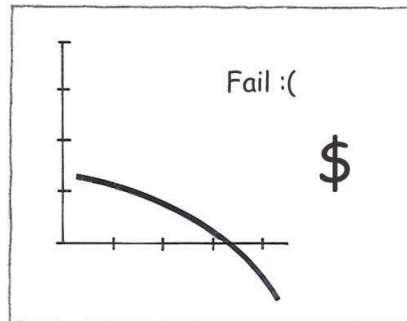

Actions done in our service are intentions and final deal is closed by partners. i.e. local law firm.

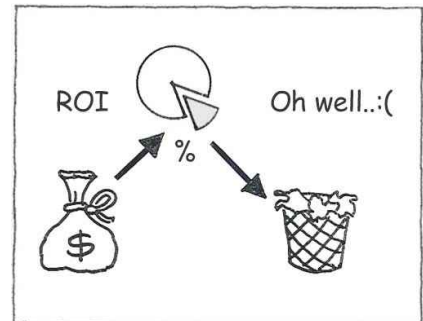

Members are ranked by their selections made for community fund, in successfully closed deals.

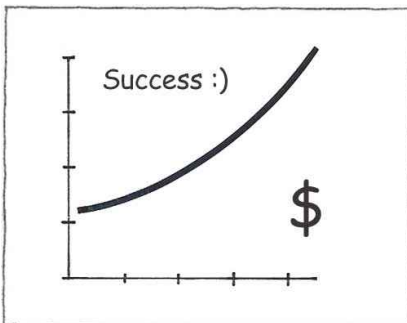

Community fund investments are owned and managed by us directly or via partners or agreed members.

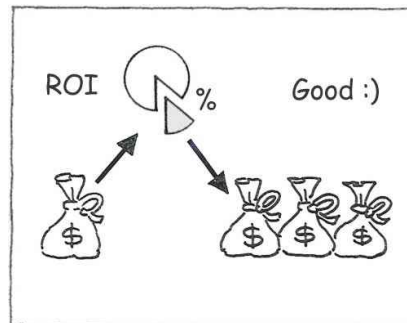

Sometimes startups fail and there is no return on investment.

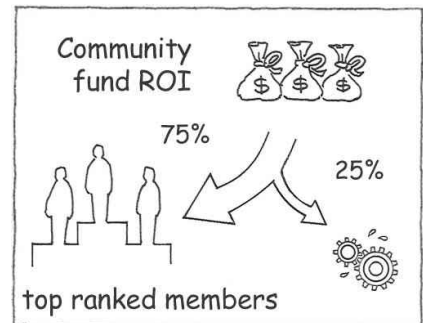

If startup fails and there is no ROI, community fund covers its own losses.

Some of the startups will be successful to generate return on investment.

If startup generates ROI, that is divided between us and the top ranked members.

75% is paid as commissions for top ranked members. Grow VC wins only if our members win.

With subscription to full-service, startups can manage their funding round, funders can make own direct investments and experts can make service deals. Besides the subscription fees, there are no additional fees or commissions, for above services except for separately agreed third party services, I.E. closing the deal, paid by acquired funding.
